DETAILED ACTION

This Application has been examined. The claims 1, 3-5, 8, 10-15 are pending. The examination results are as following.

Reasons For Allowance

1. The following is an examiner's statement of reasons for allowance: The present invention is directed to a mobile device comprising a handheld housing that is taller than it is wide when the mobile device is in an upright position, and a plurality of device keys mounted on the housing, the plurality of device keys corresponding to a QWERTY keyboard of a personal computer having the plurality of device keys arranged in three rows, wherein each of the three rows of device keys is divided into a leading portion and a following portion. The closest prior art, Miwa (US 5,626,428) shows a similar device, however, he fails to teach that wherein the leading portion includes all five device keys in their original sequence corresponding to a left portion of the single horizontal row of keys on QWERTY keyboard, and the following portion includes device keys in their original sequence corresponding to a right portion of the single horizontal row of keys on the QWERTY keyboard as claims 1 and 8.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
